

WILLIAMS SELYEM

2013 Sonoma County Pinot Noir

WINEMAKER COMMENTS

The nose leads with raspberry and fresh mountain strawberry notes followed by a wonderful stone fruit lift. The aromas transition into darker elements of bitter cherry, Carnauba wax, and mocha. Notes of smoky herbs, cinnamon, and black tea are framed with well integrated acid and tannin. The Sonoma County will offer early enjoyment with its soft and supple mouthfeel and texture.

THE VINEYARDS

The Pinot Noir for this blend was sourced primarily from the Lone Oak Vineyard, the Bucher Vineyard and from the Rochioli Vineyard.

HARVEST 2013

With great back-to-back vintages, 2013 was every bit as good as 2012 has proven to be. Amidst concerns about another drought year, the rain gauges filled up to about 80% of the yearly average. The growing conditions were very favorable, which resulted in a remarkably similar growing season to the exceptional 2012 vintage. The only notable difference, however, was the increase of heat units in 2013, as measured by the Growing Degree Day index. With below average rainfall for the season bud break initiated earlier than average along Westside Road. April showers helped to drive good shoot growth and set the plants up for May flowering. Excellent weather at flowering time allowed for fantastic set and a bountiful yield across all appellations and varieties. Even with an earlier start to the growing season, the grapes had the ideal amount of time on the vine to achieve full maturity without any threat of inclement weather late in the season. Wines from the 2013 vintage exhibit extremely pure and polished tannins and the acidity will provide longevity, but the supple structure also offers earlier enjoyment, as well.

TECHNICAL NOTES

Barrel Description: 32% new, 34% 1 year old, 34% 2 year old

Barrel Aged: 10 months

pH: 3.60

TA: 0.60g/100ml

Alc: 13.7%

Released Spring 2015

\$39
